

Seeing God Clearly – from Things Above Podcast Feb 8, 2023, James Bryan Smith.

I am the Great I Am.

I existed before all things, I am the Alpha and the Omega.

I made the universes and all that is in it.

All that is within it is my perfect design.

From massive stars to tiny atoms,

everything is under my control and everything I make is beautiful.

Everything you have in your life is a gift.

There is no greater power than me, I am all power.

There is no higher beauty than me, I am all beauty.

What am I like?

Jesus.

I am Jesus.

Jesus and I are One.

I am Abba Father, I am Spirit of Truth.

I am your Maker, I am your true spouse.

I am a God who loves to love

and loves to forgive

and loves to heal and restore.

I love the unlovely,

I forgive the worst offences.

All that is good comes from me.

I never fail.

I never tire.

I became human
to feel all you feel,
to suffer all you suffer,
to take on all of your pain,
to live a life you cannot live,
all for your sake.

I went willingly to my execution,
to take death away from you,
from all you love,
from all people,
from even creation itself.

I make all things new.
When you laugh a deep laugh, I am the joy within you.

I will never leave you or forsake you.
I knew you before you were born.
I have heard every breath you've taken.
I will be with you at your last breath.

I am closer to you than you are to yourself.
Your highest dreams for good are from me.

I am the light.
There is no darkness in me.

I am love and I love you.
